# My Toys

Hello, my name is Zhang Xuyan, Freya. I am a girl. I am six years old. I have four stuffed rabbits. They are cute. I keep them on my bed. I have three board games too. They are blue. They are fun. I keep them on the shelf.

I love my toys. I like playing with them.

*Teacher's comment: You did a fantastic job sharing so much great detail about your toys. Good use of descriptive words! Keep it up 😊*
