My Toys

Hello, my name is Henry. I am a boy. I am seven years old.

I have a car at home. It is black. It is small. It is in my toy box.

I have two trains. They are long. I keep them in my blue toy box.

I love my toys.

Teacher's comment: Good work! Good use of adjectives, especially "long" for the train. Good try of writing about the colour of your toy box.
