At the Fast-Food Shop

Sarah and Jimmy visit the fast-food shop. Sarah leaves her pet on the table. Jimmy goes to buy food. Jimmy says, 'May I have a burger, French fries and a can of coke?' The staff says, 'That will be thirty-seven dollars.'

Jimmy takes out the hamster to play. It jumps on the burger. 'Oh! Don't eat my lunch!' He cries.

Sarah is shocked and says, 'I must buy a new burger.' Jimmy feels sorry and learns to take better care next time.

Teacher's comment: Excellent effort! Your story has a clear beginning, middle and ending, which made the plot very strong!
