My Diary

11th May 2025

Weather: Sunny

Today was Mother's Day. First, I brushed my teeth at eight a.m. Then, I ate a yummy breakfast. Next, I made a pretty gift for my mum. After that, I did practice. I was very happy.

In the afternoon, I ate lunch. I drew some funny pictures of my family. Then, I went outside to the park and the mall. I gave a gift to my mum.

In the evening, I ate a burger and drank strawberry soda. I took a shower. I did practice. Finally, I went to bed.

Teacher's comment: I enjoy reading your diary entry. Also, you could use sequencing words. Keep it up!
