Andy and His Mum

It is Sunday. Andy and his mum are at the Happy Shopping Centre.

Andy wants to buy a card, but his mum does not want to buy anything.

Then, Andy's mum meets a friend. Andy's mum asks, "What are you buying?" Her friend replies, "I want to buy some food." They talk for a long time.

Andy gets hungry, so he goes to a sweet shop. He buys some sweets and chocolate. Suddenly, Andy's mum cannot find him, and she becomes worried.

She asks a policeman for help, and he finds Andy in the sweet shop. Andy says, "I am sorry." Finally, they go back home happily.

Teacher's comment: The story is good. It is well-organized.
