## Danny's Special Day

Once upon a time, Danny broke her mother's favourite vase so his mum was very angry. Danny was so scared he ran away from home.

Then, Danny went away from home for a long time. He was in the forest. When he wanted to eat food, he saw a house.

Danny saw a hut, he thought, 'Is there any food?' He went into the hut. He wanted to find some food. He saw a lot of food in the hut so he ate them because he was very hungry.

At last, he ate too much. He turned into a pig in the hut. He felt very scared. He was sad. Just then a man came and said, 'You should not eat stranger's food without permission.' Danny said, OK.' The man smiled and he turned Danny back into a boy. Danny was happy and said 'thank you' to the man.

Later, Danny went home, he said sorry to his mum.
