

## At the Supermarket

3B So Kit Chun, Eden

In the evening, Emily goes to the supermarket. She wants to buy some potato chips. She plans to use a tote bag to carry the chips.

The supermarket is big. She can see some packets of potato chips, some packets of French fries, many boxes of milk and some packets of flour. She wants to buy two packets of potato chips because she is hungry.

However, the potato chips are too high, and she can't get them. Emily is too short. She feels annoyed.

Suddenly, Emily sees a tall boy. She asks him to help her get the potato chips. He helps her get the three packets of potato chips. She feels happy.

## At a Buffet

3B Kwong Chun Wang, Sherlock

I have a buffet lunch on Sunday in a nice hotel in North Point. I go there with my grandparents and cousins. I am very excited.

There are some chicken wings, a lot of spaghetti, some steak, some vegetables, a lobster, a pizza and a lot of ice-cream. I like chicken wings best. They taste crispy. They are yummy.

I feel happy and full because I can eat a lot of food. I am very happy.
