

Self Introduction

6B Au Man Kit, Lawrence

My name is Au Man Kit, Lawrence. I am 13 years old. I live in Western District. I have a sister. I study in Li Sing Primary School. It is a small but warm school. I am in 6B. I go to school on foot. I like playing basketball in the park on Sundays because it makes me stronger.

I am friendly so I have many friends at school. I go to tutorial class after school every day. I am also caring so I like helping my classmates.

My favourite subject is P.E. because I like sports. I am good at running. I joined the school team this year. In my spare time, I like running in the park with my friends because it is healthy. Last summer holiday, I learned swimming. I think it is fun.

I want to apply for this secondary school because it has a good reputation and good teachers. My class teacher also recommends this school to me. I also want to join the running team in this school. I hope I can have the chance to be your student. Thank you.

Dear Mr Tsang,

We are writing because the Charity Club would like to help Sowers Action to raise money for village schools in China. We think our ideas will help solve some problems for the children there.

The schools are too dark because there are no lights. It is too cold in winter and too hot in summer because there are no heaters or fans. There are not enough books in the library because they are too poor.

We want to perform a drama to raise money for the village schools. We need to donate money to the village schools in China.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Louis Lee

Chairperson of the Charity Club

Your ideas are quite well-organized but I think you can suggest more ways to raise money for the village schools in China. Good try!
