

## At the Supermarket

3B Leung Wing Yu, Canny

One day, Lisa goes to the supermarket. She goes there in the afternoon. She wants to buy some food and some snacks.

The supermarket is very big. She can see a lot of mangoes, milk and potato chips. She wants to buy a lot of potato chips because she likes snacks.

The potato chips are on the top of the shelf. She cannot get them because she is short. She feels very sad.

She sees a boy. She asks the boy for help. The boy helps her. She feels happy.

### Teacher's comment

You can write about what you do at the supermarket clearly. Well done!

## My Buffet Lunch

3B Zheng Allie

Hello, my name is Allie. Today I am going to talk about my buffet lunch.

Yesterday, I had a buffet lunch in the evening in a hotel with my father and mother.

On my plate, there were some cupcakes, a hamburger, a cup of chocolate milk, a packet of French fries, a bowl of congee and some vegetables.

After lunch, we went to our room and slept. I felt very happy because the food was very yummy. I want to eat buffet lunch again!

### Teacher's comment

Your writing is interesting. You can write about your activities tidily.
