

Self introduction

6A Ngai Yuen Yu, Meagan

Hi! My name is Meagan Ngai. I am eleven years old. I live in Mid-Levels. I am currently studying at Li Sing Primary School. Although this school is small, it has a lot of fun activities to do.

I think I am attentive because I always listen to the teachers. Besides, I think I am caring because I always listen to my friends when they are sad. Also, I think I am hard-working because I always study very hard on weekdays and at weekends. I am good at English because I always get good marks on my exams and tests. Although I am weak in sports, I will do more exercise so that I can make improvements.

I like playing the violin at home every day because I like listening to music. I like skipping at home once a week because I want to keep fit. I like going cycling in the park once a month because it is fun. I like reading story books in my spare time. My favourite book is Harry Potter because the story is very exciting.

My dream secondary school is Ying Wa Girls' School. I want to get into this school because it has a long history and the library there is very nice and big. There are many differences between primary schools and secondary schools but the main difference is the study environment. The pupils in secondary schools are more mature and clever.

I hope I will get into my dream secondary school because I want to learn more knowledge from other smart pupils. I am going to try to improve my weaknesses. I wish to have a great life in my dream secondary school.

Your choice of words is simple but clear. There is good use of language in general.

Letter to Principal

6A Wong Hoi Tung, Fiona

30th November, 2021

Dear Principal,

I am writing this letter to you because I want to raise money for village schools in China. I think my ideas will help solve some problems for the children there.

There are not enough schools in the villages in China because they do not have enough money to build schools. They do not have enough stationery because they are too poor. Also, the schools are too dark because there are no lights.

I want to go on a charity walk and run a second hand stall to raise money and send the stationery to the schools. I would also like to perform a drama to raise money for the village schools.

I hope you will be able to help me organize the charity events.

Yours sincerely,

Fiona Wong

Chairperson of the Charity Club
