Rules at school

To be a good student, we must obey the rules at school.

In the classroom, we must sit still. We mustn't spit. We mustn't litter. We must pay attention to the teacher. We must put up our hands to ask or answer a question. We must hand in our homework on time. We mustn't hit. We mustn't talk.

We must obey the rules in other places too. In the library, we must keep quiet. We mustn't talk. In the playground, we must keep off the grass. We mustn't run. In the art room, we must sit properly. We mustn't draw on the desks.

Let's work hard together to make our school a better place to learn.

Teacher's comment: I like your ideas about the rules in different places at school! Careful work!
