I like having lunch buffet. It is because I can choose the food by myself and there is plenty of food to choose from.

## Name: <u>Lai Yuen Ching, Mary</u> My favourite activity

Dear Donna,

How are you? I study in Li Sing Primary School. I am in Class 3A.

I like sports. My favourite activity is playing badminton. I play badminton every weekend at the park. I am excited. I have badminton lessons every weekend at the community centre. I go with my friends. Sometimes my mother takes us to the park afterwards. We play on the slide and the swings. We always have a wonderful and happy time there.

I enjoy playing badminton very much because I can play with my best friend.

Yours,

Class: 3A

Mary

Teacher's comment: The format of writing a letter is right. The flow of the text is smooth and the ideas are clearly and logically expressed. Keep it up, Mary! I enjoy reading your writing. Good!

## Name: <u>Wong Chiko</u> Shopping is fun

Class: 3A

I go to Mega Box in Kowloon Bay with my grandpa, grandma and my family at eleven o'clock on Sunday.

First, we go to the book shop because I want to buy a lot of books. It is on the ninth floor. Next, we are hungry, so we have to eat something. We go to the fourth floor and we find a restaurant. We eat noodles and rice there. I see the children are jumping up and down next to us. They talk loudly too. One hour later, we are all full. We pay the bill. Then, we leave the restaurant and go to the supermarket. It is on the seventh floor. We buy tissues and biscuits there. Finally, we leave Mega Box. My dad parks the car in the parking. It is on the sixteenth floor. We go home by car at last.

Today, I am exhausted from walking for several hours.

Teacher's comment: Your choice of words is simple but clear, Chiko. The descriptions about Mega Box are detailed. I like your work.
