Sunny

It was sunny today. In the morning, I brushed my teeth, ate a yummy breakfast and drank a glass of water. I was bored so I watched TV with my sister.

In the afternoon, I ate a set yummy lunch. Then I bought a goldfish in Mong Kok. After that, I listened to music.

In the evening, I ate a lot of food. Then I played computer games with my sister. After that, I went to sleep.

I had a good time because I bought a goldfish.

A day in the Country Park

It was a holiday. The weather was sunny and hot. Jack and Tom went to a country park by bus.

Jack and Tom flew a kite in the country park. Then, they had a picnic. They ate some sandwiches and drank some juice. Next, they wanted to go home but they got lost in the country park. They felt worried and tired because they did not know what to do.

Jack and Tom called the policeman. The policeman found them under a tree in the country park. Finally, they went home with the policeman safely.

Teacher's comment: I like your story. The ending of your story is simple but interesting. Moreover, you use a lot of connectives in your writing. Good job!

My birthday

It was my birthday. It was on the twenty-sixth of May. I was nine years old, I celebrated my birthday with my parents and my friends.

I played football with my friends at ten o'clock in Pokfulam Park. I was tired so I went back home. In the afternoon, I went to KFC to eat fast food. I got an iPhone and the 'Star War Lego' as my birthday gifts. Then, I watched a film in a cinema.

At night, I had a buffet dinner. I ate a hotdog, a slice of pizza and a birthday cake. I felt happy because the hotdog was yummy.

Teacher's comment: Good use of simple past tense, like 'celebrated', 'felt' and 'went'. The content is very clear.
