An old man and a wizard

Once upon a time, there was an old man who lived alone in a forest. One day, he was walking in the forest.

There was a wizard. Suddenly he waved his magic wand at the old man. The old man turned into a mouse.

The mouse was walking in the forest sadly. He wanted to turn into a man again. Luckily, he saw the wizard again. The wizard was sleeping. The magic wand was glowing. The old man took the magic wand. He waved it and turned himself into a man again. He was happy.
